Every new Community Association membership purchase or program registration gets you an entry to win a set of 2 KUMA Outdoor Gear folding aluminum lawn chairs!

Sign up by Sept 16th to be entered. Winner drawn at our AGM Sept 26th.

In previous seasons we hosted several one time workshops including the wildly popular **Spa Like A Boss** make your own bath products night. Watch for some new fun workshops coming up this fall!

Winter Wonderland Parties

Coming soon! Ever want to have a sledding or skating birthday party at the park but want access to the Clubhouse to warm up and use the bathrooms? Maybe you need to borrow some skates? We've got you covered.

Watch for details coming as the snow flies!

MĒ TA WĒ TĀN Programs

We are gearing up to host one or more Indigenous beading sessions in coming seasons. Watch for upcoming dates to be shared on social media!

Did you know....? College Park History

The land that is now College Park was annexed by Saskatoon between 1955 and 1959, with most homes built from 1961 to 1980. Yet the name "College Park" didn't stick until the late 1960s—builders were still promoting the area as "East Greystone" as late as 1965!

Community Garden Update

We are so excited to share that the Community garden is getting an upgrade!

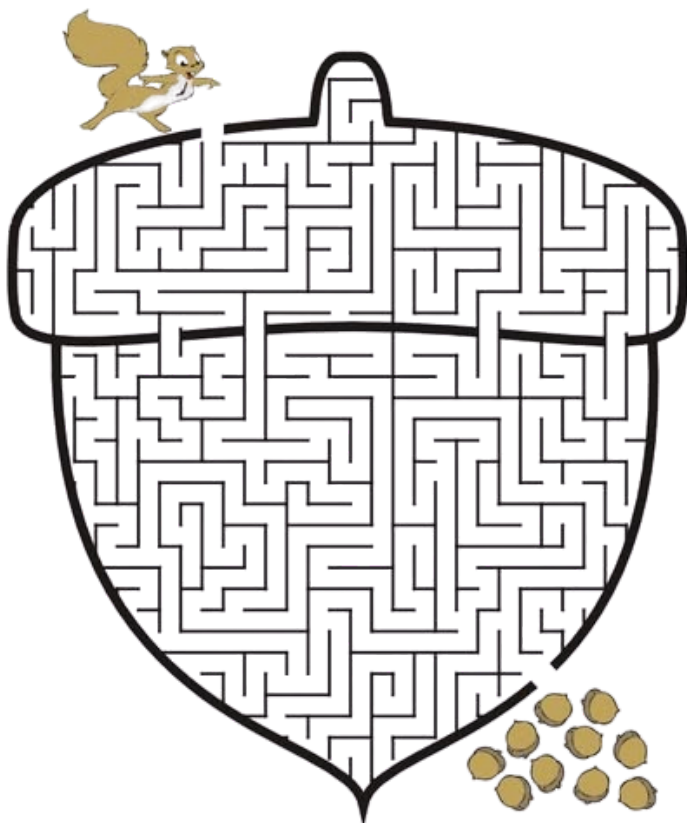

Shop students at Evan Hardy Collegiate will begin the construction of a new garden shed for us this school year!

The project will begin in January when the 2nd semester begins at Evan Hardy Collegiate. The new shed will be in place and ready for the 2027 garden season in May. It will serve the garden well and be an esthetically pleasing addition to the park.

Community Association Membership

Community Association memberships allow you to register for programs, but they also do so much more. That small annual fee allows us to do many things like:

- Maintaining the rink, including purchasing shovels, skates and sticks, as well as fuel for the snowblower to help keep the surface clear and ready to skate.
- Provide FREE special events like Pumpkins In The Park and Annual Easter Egg Hunts
- Paying for gym rentals at the schools to provide programming, keeping programming affordable for the community
- Producing newsletters
- The boring stuff- paying for the website, the registration software, doing the community association's taxes, and so much more!

Supporting our
community, one
impression at a
time.
